Manuel João Domingues Palmeira

Digital Experience Lead | Project & Product Management

WORK EXPERIENCE

Deloitte. **DELOITTE PORTUGAL - BCM** Sep 2023 - Now
Expert - Digital Experience Team Lead, Lisbon

I lead the team responsible for Deloitte Portugal's digital marketing platforms, defining priorities, overseeing delivery, and ensuring platform performance, governance, and compliance with corporate standards. I led the modernization of Deloitte.com across Portugal, Angola, Mozambique, and Cape Verde, redefining the implementation process and establishing a new standard for the Deloitte network. I also drive the digital transformation of the Marketing department by leading strategic initiatives, optimizing business processes, and delivering digital solutions that improve efficiency and user experience.

Experienced Senior Technician, Lisbon Sep 2022 - Aug 2023
Expanded the Digital Experience team by recruiting new talent, scaling platform ownership and increasing the number of digital channels under the team's responsibility.

Senior Technician, Lisbon Mar 2020 - Aug 2022
During my time in this position I helped to transform the way Deloitte was working the digital internal and external comms channels, increasing overall engagement.

imatch **IMATCH** Dec 2017 - Mar 2020
Chief Tetris Officer - IT and Project Manager, Lisbon
Worked on digital transformation and innovation consulting projects for large enterprise clients, providing technology leadership and overseeing IT, from development to management.

New Co **MINI NEWCO FESTIVAL 2016 + 2017** Nov 2016 | Oct 2017 - Dec 2017
Operations, Portugal
Part of the team that planned and managed the logistics of the event while managing, coordinating and recruiting volunteers (around 100) while maintaining the website. while also acquiring participants and host companies.

FUSE.WORKS Jan 2017 - Jun 2017
Head of Operations, Lisbon
FUSE.Works is a Hardware Startup Accelerator and Incubator, the next step for No Bullshit Lab. Responsible for the makerspace and part of the acceleration program.

NO BULLSHIT LAB Feb 2016 - Jan 2017
Founder and COO, Lisbon
No Bullshit Lab was meant to be a one-of-a-kind accelerator for startups, makers and crafters. Planned part of the program, events around it and the makerspace.

PRODUCTIZED Aug 2015 - Nov 2015
Operations Manager, Lisbon
Responsible for the website, social media outlets, and worked on logistics and sales, both acquiring customers and partnerships.

EAS **ENGINEERED AIRSOFT SOLUTIONS** Feb 2015 - Dec 2016
Founder and CEO, Lisbon
EAS was a small company providing electronic solutions to the Portuguese airsoft market. Our most popular product sold over 200 units with 0% failure rate.

HACKERSCHOOL Jan 2014 - Set 2016
Collaborator and Board Member, Lisbon
Student group promoting entrepreneurship and maker spirit. Helped with events, fund raising and legal issues. Was in charge of the LX Reactor 2015 pre-accelerator
